

Dear Parents

Date: _____

Classroom Celebration Fund

Throughout the year, we will be hosting different types of celebrations and parties in the classroom. There is always a lesson plan that goes along with the theme of the party. During these special moments, we serve the children healthy drinks and snacks. We also have creative projects for them to complete, and a game or two that makes learning even more fun.

Some examples for the first half of the school year are the Harvest Party, Character Day, and Winter Celebration.

We ask that each family donate _____ so that we can cover the costs of the food and supplies as much as possible.

Please note that we may still have a need for further supplies.

We ask that you return this form with _____ in cash by _____.

Child's Name:

Name of Grownup(s):

Thank you in advance!
