

Dear Parents

Date: _____

Welcome to _____'s Class:

We/I are very excited to be helping our students this year as room parent/s. The goal is to make this year special and memorable for all of our children.

There are many opportunities for all of you to be involved both in and out of the classroom. Your help in any capacity will always be welcomed and truly appreciated. It can be volunteering or through sending in much needed supplies.

Some examples include the classroom parties, field trip chaperones, teacher appreciation week, field day, and so much more. As events come up, information will be sent home in a timely manner.
